

# WOODY BE TUFF

*The Ultimate Outcross!*

**2023 Breeding Fee:** \$6,500 incl chute    **2023 ICSI Fee:** \$4,500  
**2023 Frozen Semen Fee:** \$6,500 incl chute

*First off, we would like to thank you for considering Woody Be Tuff for your 2023 breeding plans! We are so grateful for the overwhelming support for Woody over the last year!*

*We put the health, wellness and happiness of Woody first when making breeding decisions for him. He has absolutely thrived at Lazy E Ranch, and we feel he is as healthy, sound and happy as he has ever been. With that being said, we have all the respect in the world for our horse and want to do everything we can to keep him in the best shape possible.*

**We will limit Woody Be Tuff's 2023 breeding book to 100 regular, fresh semen contracts.**

**\*\*The first 100 contracts received will have full contract privileges, including the ability to ship fresh semen.\*\***

All contracts **received AFTER the 100-contract cut off will be considered "Hybrid" contracts.**

**Hybrid contracts will include the following terms:**

- Mares MUST be brought to Lazy E Ranch to be bred on-site.
- Mares will be bred with fresh semen only WHEN AVAILABLE. The first 100 "Regular" contracts will ALWAYS have first priority on fresh semen.
- If fresh semen is not available on that given breeding day, these on-site mares will be bred with frozen semen.
- Mare owner will pay all of the following non-refundable amounts: a \$500 booking fee, chute fee and any accrued bills at Lazy E Ranch. The remaining balance on the stallion fee will not be owed if the mare is not in foal before departing Lazy E.

We are excited to give more people the opportunity to breed to this great stallion, without compromising his well-being. Lazy E Ranch is one of the leading breeding facilities in the world, with on-site Veterinarians that are very experienced in using Frozen Semen.

As always, ICSI contracts are available. We DO NOT charge a breeding fee on ICSI contracts until the recipient mare is 35 days in foal.

Although we are incredibly appreciative of those who want to breed multiple and very proven mares to Woody, we are **NOT offering ANY discounts whatsoever for the 2023 breeding season.** We would encourage anyone looking for discounted fees to explore our ICSI option.

*Once again, we want to thank you for your continued support of Woody Be Tuff. We are thrilled with the quality and diversity of mares bred to him in 2022, and look forward to seeing his biggest foal crop yet this Spring!*

*Sincerely,*

*Melanie Smith & Kaleb Terlip*
